Report of Principal and School Improvement Council

Rosenwald Elementary/Middle is a rural, high poverty Title I school comprised of 193 students in grades prekindergarten through eight. Our school is proud to be one of only four schools in Darlington County that require all students to wear uniforms daily. Rosenwald is a school of rich history and tradition, with its roots being traced back to the legendary Rosenwald Schools, started by Julius Rosenwald himself to assist African Americans in earning a rich and meaningful education. In keeping with that tradition, Rosenwald continues to stand by its mission of providing excellence in teaching and learning for all students.

This past year has brought many great experiences for our staff and students. We were blessed to be visited by the current Ms. South Carolina 2007, who offered the theme of students being able to achieve any and all of their goals if only they believe. Our students were struck by her poise, intelligence, and talent as she displayed not only her talent for inspiring young minds, but her outstanding vocal talents as well. Additionally, our school was proud, for the first time in the history of our school, to have the 2008-2009 Darlington County Teacher of the Year be selected from our school in the person of Mrs. Amber Hutchins. We are proud to salute this fine educator and are exceptionally proud of the outstanding achievement she led our students in grade three to achieve. Additionally, our school received over \$12,000 in donations from local community committees, churches, businesses, and organizations that assisted our school in funding field trips for students with financial struggles, purchased jackets for all students, added stone picnic tables for our school courtyard, and provided incentives and supplies for teachers throughout our school year. Moreover, our school, for the first time, through grants, was able to offer karate and dance to students attending our after-school program. In addition, parents worked extra hard to earn funds to purchase all students within our school a yearbook to have as a keepsake of this past year of success. Lastly, our school began a competition cheerleading squad who won both competitions they entered this year, including their first competition and were the first ever public school winners of the competition for middle school squads in Charleston, South Carolina this winter.

Although our school is high poverty and minority, we are proud to be former winners of Palmetto Silver for student achievement, winners of several SCNPRA awards for school newsletters, parent/student handbooks, school summary reports, and school communication plans. Also, our school is one of only a few schools of Title I choice due to students' achievement and meeting adequate yearly progress every other year, keeping our school from any form of corrective action. The achievements of our school have been meaningful, and therefore providing that we always strive to live by our school motto: "If better is possible, then good is just not enough!"
